LEADERSHIP EXPERIENCE

Association of Computing Machinery – Women's Chapter — New Albany, Ohio
Mentorship Coordinator — *May 2025 – Present*

- Coordinate mentor-mentee pairings for 25+ ACM-W members, fostering professional development, academic support, and community engagement.
- Organize 12 mentorship events, networking opportunities, and program initiatives to strengthen member connections and increase participation within the chapter.

WORK EXPERIENCE

The Morning Ritual / The Goat — New Albany, Ohio
Barista and Host — *January 2024 – Aug 2026*

- Provided customer service in a coffee shop and restaurant, addressing diverse guest needs to create a welcoming and positive experience.
- Trained new team members on beverage preparation, order management, and guest service standards, ensuring consistency and building a collaborative work environment.

ACTIVITIES AND HONORS

Buck-i-Code — Columbus, Ohio
Volunteer — March 2026

- Mentored 15+ students aged 10–15 in foundational programming principles, guiding them through hands-on Python, HTML, and block-based coding workshops. Will continue to participate as a volunteer in spring 2027.

Big Data and Analytics Association — Columbus, Ohio
Member — August 2025 – Present

- Engage in corporate tech talks and hands-on workshops to gain industry insights and strengthen core skills in data analysis and visualization.
- Team up with peers to research datasets and develop an upcoming data analytics project using Python.

National African American Recognition Program — New Albany, Ohio
Recipient — August 2024

- Earned national academic recognition awarded to top-performing students based on exceptional performance in AP/Honors coursework and standardized exams.
